Description

Raising this animal was one of the funnest experiences I've ever been apart of. My family has always been in the cow business, so when I heard I could choose whatever animal I want to raise I was filled with excitement. I didn't know what I wanted to raise but after very hard consideration I chose to raise a swine. The burrows name is Ricky he was named after Ricky Henderson because I couldn't catch up to him when I picked him and he decided to run off. I'm very thankful to all my friends and family who helped me and showed so much joy around my pig even though he kind of smells. I would also like to thank my ag teachers who always were there to throw a shoe at me when they needed to. I'm very blessed to have some hard working parents and how much effort they gave into my animal I couldn't even fathom how much I own them. From the bottom of my heart I just want to thank god for the opportunity of a lifetime none of this would be possible without his blessing to do so amen!!
