Description

Hello! My name is Stephanie Vasquez. I have been in FFA for three years now, and this is my third and final year raising. I have raised a swine throughout my years of raising. I've learned many skills while raising livestock, such as responsibility, time commitment, and patience. The money I receive from my swine will go towards my college funds, which I will be attending Sam Houston State University and majoring in Education & Interdisciplinary Agriculture.

Quantity: 1
