First Name Jason Last Name Harris FFA Chapter or 4H Club Name Cypress Ridge High School County Harris County City Houston Animal Weight (in Pounds) 172 EAR TAG# 365

Description

Raising a pig for the first time came with a lot of new experiences for me. For Example, I never would've known how much care it takes for an animal besides a pet. I also learned how stubborn they can get. Raising a pig has helped me in more ways than one and i'm forever grateful. Hopefully doing FFA will get me closer to becoming a veterinarian so I can help every species of animals. However, raising animals is only the first step of becoming a veterinarian which is why i'm planning on going to Texas A&M University to pursue my dream job of becoming a vet.
