City Beaumont

Description

Hi, my name is Nicholas Davis, I am from Cheek, Texas and I am in the 10th grade at Hardin Jefferson High School and a member of Lucky Clover 4H Club Nome, Texas. This is my second year to show a steer. My steer name is Patches. I have been working with Patches for about 10 months. It was a little rocky in the beginning when I first got him, but we have grown to trust each other by bonding through daily feeding, grooming and working with Patches.

I enjoy showing animals. I have learned to never give up when things don't go your way.

Quantity: 1
