## Description

My name is Alexis Roy, daughter of Amos and Kayla Roy of Wallisville, Texas. I am a 5th grade student and my swine project is my third show pig and my first project for CCYPS. I have been raising her since November and have fed and watered her, bathed and conditioned her, and walked her daily. I will be using any money I receive to purchase my next show animal. I am an A honor roll student and enjoy showing animals, participating in 4-H shooting club, singing in the choir and competing in academic UIL events. When I grow up, I want to study Vet medicine at A&M University. Thank-you for your consideration.
