Description

Hello my name is Mattison Granger. I am sophomore and a proud member of West Hardin FFA. This is my second year showing broilers for YMBL. I've showed pigs the past two years as well. I have really enjoyed this season and watching my project grow and flourish under the instruction of our wonderful ag teacher, Mr. Merrifield. We started with 75 tiny fluffy chicks and in just 6 short weeks they have grown so much. I've learned that with hard work and dedication your project is something you can be proud of. Overcoming obstacles is always a given but with patience and a willingness to keep working hard you can do anything you set your mind to. Thank you for your time and consideration for my project.
