City Keller

Description

Hi, my name is Henry Slough. This is the first time I have won TCJLS Swine Show! I was so excited! I love showing pigs. I have worked with my brother, sister and family to get where I am today. We have met so many people across the state and made many friends along the way. Learning to take care of and show pigs is very hard. I have put in countless hours, days and weeks to get to this point. I would like to continue to show in the future. Please help support my dream! Thank you, Henry.
