Description

Hi my name is Bailey Short, and I am a Kindergarten student at Barbers Hill Early Childhood Center. This would have been my very first Chambers County Youth Project Show. I was so excited to show my pig Pretty, and worked hard to get her ready for the show. Pretty weighs 230 lbs. I love feeding, brushing and giving Pretty hugs! I also love to read, paint, play games with my family and work on puzzles. Any money I earn from this year will go towards helping me purchase future show animals and my college fund. Thank you for your support!
