Validation Tag or Show reference# 7

County Chambers

City Winnie

Description

Look at these beauties! This high quality Golden Certified F1 would be a dynamic addition to any herd. With a February 2019 birth date, this open heifer is ready to go into a first class breeding program whether as a breeding piece to match with your bull or as an A.I. prospect. This extremely docile heifer is being presented by senior Charlotte Williams, an East Chambers High School honor graduate. Charlotte has been showing heifers and steers every year at Chambers County Youth Livestock Show since she was in the fourth grade. Charlotte is active in the National Honor Society and is currently serving as president of the East Chambers FFA chapter. Throughout her time spent in the FFA chasing banners and buckles all over Texas and Louisiana, she met thousands of people who helped make possible her dreams of owning and showing some of the best heifers and steers. Now, Charlotte is attempting to earn money for college and has been accepted to Sam Houston State University where she plans to major in Education with a minor in Agribusiness. Charlotte would like to thank her family, friends, breeders, and Ag teachers for all of their unconditional support over the years.
