Description

Howdy! My name is Karli Holland. I'm 16 years old and a junior at Barbers Hill. I am also a member of the Barbers Hill FFA, and this is my third year showing lambs at CCYPS. I have worked very hard this year preparing for the county show, and I was really looking forward to seeing my lamb do well. Although the circumstances aren't what I had hoped for, I am very grateful for the county for putting together this online auction. I appreciate everyone for the support!
