Description

My name is Braden Waller and this is my Commercial Steer, "Old Yeller." He weighs 1150 pounds. I won my first showmanship buckle with him at the Barbers Hill 4H Winter Warm Up. Old Yeller is my first show steer. I would like to thank my family, friends, and Ag teachers that supported me at the prospect shows. I learned so much about showing this year. Thank you to the buyers who continue to support the Chambers County Youth Project Show each year. I look forward to showing again next year!
