**Description**

Dear Buyers,

My name is Lauren Clearo. Im a 7th grader at Barbers Hill Middle School South. I Chose to show a goat this year because I wanted to see the difference between goats and lambs. It turns out goats are very stubborn while lambs are not as stubborn. I hope to use this knowledge to determine whether or not I want to show lambs in the future. I plan to use the money that is from my goat to purchase any future livestock. Thank you for your time.
