## Description

My name is Bylie Dillard and I am a senior at Anahuac High School. I have been showing animals since I was old enough to walk into the arena. I have truly enjoyed every moment of it and will miss the experiences I have had. Upon graduation I am attending Blinn in College State and then on to ATM to pursue a degree to become a high school teacher. I want to thank everyone who had made my showing days a treasure that I will never forget!
