Description

My name is Owen Boullion, and I am 8 years old. I am a second grader at Barbers Hill Elementary South. I have been showing since I was 5, but have helped my brother, Ethan, with his animals for even longer. This year, I am showing a goat and a turkey. In the past, I have shown rabbits. I was looking forward to showing my animals, and I am sad that YPS was cancelled. Every year, I have fun with my friend at the show, and I love the concession stand. Thank you for allowing me to auction my animals. The money from the sale will go to my college fund.
