Description

Thank you to all the buyer participating in this online auction to help all the exhibitors from both in FFA and 4H with their projects. At CCYPS in previous years, I have been unable to make auction. However, last year I began my own goat breeding program. The goat I was planning to show, I helped birth and have raised him his entire life. Unfortunately, I won't have the opportunity to showcase my hard work in person, but appreciate this opportunity to showcase my market goat in this online auction. All of my project funds received will go towards my dual credit classes at Lee College. This year I have learned a great deal about responsibility from the daily care and management of my project. Thank you again for your wonderful support I greatly appreciate it!
