**Description**

My name is Lainey Williams, I'm a sophomore in BH FFA, this is my first year showing a lamb. I purchased my lamb last year and immediately started a very strict feeding and supplement program twice a day. I spent many hours at the barn. I participated in 15 prospect shows where I placed in the top 3 in class at each show. I've won multiple buckles this year and plan to keep up the hard work and dedication it takes to continue next year. If I'm successful with the online auction, I'll purchase multiple animals to take to State Fair and CCYPS.
