Description

Hello my name is Emily George and I am a SENIOR at Barbers Hill High School. I exhibited my favorite lamb Shaggy. I learned a lot about patience and consistency from raising him. Showing livestock is something I love so much because you can watch an animal completely transform by the amount of effort put in. I have been fully dedicated to showing for the past three years and am so grateful for all the memories made and people met over the years. This industry has truly impacted me so much. Your donation towards purchasing or adding on to my lamb is greatly appreciated and will go towards me studying Animal Science at Blinn College in the fall.
