Description

My name is Madi and I am 13 years old in the 7th grade. I have been part of the Dayton 4-H chapter for 2 years. I show market rabbits and swine. My other extracurricular activities include cheerleading and softball. I want to follow in the footsteps of my mom and aunt and pursue a career in Nursing. Tending to my animals is certainly helping me prepare for that journey. All proceeds from my project are used to continue to show as well as invest for my college tuition.

I appreciate the time that you take to look at my profile and hope that you have a blessed day.
