Description

My name is James and I am 14 years old in the 8th grade. I am a 5th year member of the Dayton 4-H group. I raise breeding rabbits year-round to produce my own market rabbits. I am an A/B honor student with all advanced classes. My other extracurricular activities include being a wide receiver for our 8th grade school football team, basketball and I compete in the long jump, high jump, 150 hurdles and the 1600 meter run in Track and Field. I am not sure on what my future looks like in terms of careers but I am a blue collar type guy who just likes to stay busy as you can see. My mom says no time for idle minds at my house.

I appreciate the time that you take to look at my profile and hope that you have a blessed day.
