Description

Outgoing, funny, single male with a huge appetite is looking for a buyer. A natural athlete that enjoys long walks in the turnout, but really enjoys time on the treadmill. I would like to introduce you to my wether lamb "Midnight". This is my senior year and my last show lamb. My future goal is to become a veterinarian, and my first step towards that goal is to attend Blinn junior college and major in animal science, I also plan on joining their livestock judging team. After Blinn junior college I plan on attending Sam Houston State to finish up my bachelor's degree.

Quantity: 1
