### **Description**

Hey there! I'm Kylee Champagne, a Silsbee High School sophomore. I've been strutting my stuff at the South Texas State Fair since I was knee-high to a grasshopper, and let me tell you, it's my absolute favorite time of year! I've been on a rollercoaster of hard work getting ready for this big moment with my trusty sidekick, Busby the goat. We've faced some hurdles along the way, but we conquered them all, and now it's our time to shine in the spotlight! Let the show begin!
