### **Description**

Hello, I am Kayleigh Rebbe and this is my first year in 4-H. I have taken a lamb as my first project. My lamb is wether and his name is Bruno. I have spent a lot time with Bruno to get his ready for show by walking, feeding, watering, and bathing him.

I would be grateful for your consideration on bidding or giving an add on for Bruno. I plan on using any money received from Bruno to buy another show animal so I continue being in 4-H.
