Description

I am a Junior at Nederland HS, this is my 8th year to be involved in FFA. It is definitely hard work and takes lots of discipline and dedication, but every year I learn something new. I purchased my barrow in September 2023 and have spent my mornings and evenings, feeding, watering, bathing and walking him to get him ready for the YMBL show and auction. All money I earn will go toward projects for my Senior year and/or toward furthering my education when I start college in the Fall of 2025. Your support is greatly appreciated.

Quantity: 1
