Animal Weight (in Pounds) 267

Date of Reported Weight 03/23/2024

EAR TAG# 543

Description

My name is Sage Landry, I am a Junior at Hamshire-Fannett High School and the President of the Hamshire-Fannett FFA Chapter. I have also been selected to participate in the State FFA Chorus for the past two years. In addition, I compete in the Job Interview Leadership Development Event and the Veterinary Science Career Development Event through FFA. Outside of FFA I am a member of the Hamshire-Fannett Varsity Choir where I have advanced to State for The Solo and Ensemble Competition since Freshman year as well as earned the opportunity to audition for The Texas Music Education Association All-State Choir for the last two years. I have been a member of the Hamshire-Fannett Golf Team for the last three years. I am currently ranked fifth in my graduating class and am an active member of the National Honor Society.

This is my second year raising and showing a pig. I have worked with my barrow since September of 2023 and weighed in at 267 pounds at the show, finishing 5th in my weight class. I plan to raise another hog and broilers next year. Money raised by selling my barrow will go towards purchasing the projects for my senior year, and also saved for college. I hope to attend Texas A&M University in the Fall of 2025 majoring in Animal Science.
