Description

"God needed someone who could work until they felt they were broken, but still kept fighting. He needed someone with a heart full of compassion for animals. Someone who still had the vision of them becoming a champion after failing again and again.. So God made a SHOWMAN."

I'm Kyleigh and this is Boots. It's my 2nd year to show a lamb. In the beginning Boots was crazy and wild. I thought I would never be able to turn him into a good showmanship lamb, but after alot of hard work he has become one of the best showmanship lambs so far!

Anything I make from add-ons or the sale of Boots will go to helping me purchase my lamb for next year. Without help from yall Ag kids couldn't continue to keep buying and showing animals.

My family and I appreciate every single person that continues to help support my show career. I'm going to miss Boots but I can't wait to see what next show year brings!
