Description

My name is Garrett Batchelor, a hard working 14yr old from Nederland, TX. I am the current Mid County 4H President, and an active member of Revive Church where I help spread the message through assisting in our weekly live broadcasts. Being an avid homeschooler, and 4H member, I currently show a Simmental Cross steer from Next Level Show Cattle out of Conroe, Texas named Willie. The name Willie comes from his spots that resemble the color that Willie Nelson's hair used to be. This is my sixth year to show with 4H; starting with rabbits then progressing to market swine and now currently showing steers. I am excited to bring Willie to the South Texas State Fair this year as we have been getting good feedback from various PYLA shows that I have attended. While being a homeschooler, I have been able to have a part-time job at Mid

County Farm and Feed. This has been able to not only keep me involved and up to date in the agriculture industry, but it has also taught me valuable life lessons about teamwork, responsibility, and integrity. My family and myself are proud to be in as well as a representative of this industry. Thank you for taking the time to read this short description and for supporting youth in agriculture in the Southeast Texas area.

UPDATE

Willie placed fifth in class in Exotic class 1
