Description

Howdy! It's me Blaycie again here with my final Senior project, my market steer Flounder. He's been a handful and we have had our challenges for sure, but he has been a great final steer for me. I've learned a lot over the last several years and I'll miss showing. I'm off to serve in the United States Navy after graduation, so if you'd like to help support me in the next step of my journey, please consider purchasing or adding on to my project.
