Description

My name is Cayton Fazzi, and I am 12 years old. I started breeding and raising my own show pig stock when I was 9 years old. Through my hard work and dedication, I have been able to work up to 8 breeding sows and a boar. I am very proud of the show stock I am able to raise for local 4-H kids. My favorite part about breeding and raising pigs is spending time in the farrowing house with the newborn piglets.
