Description

My name is Lena and I am 9 years old. This is my first year in 4-H. My project is a market swine we like to call Big Booty Judy or "Judy" for short. Judy is a Hampshire. My favorite part of this project is spending time with her and giving her mud baths. She loves when I rub her belly and she rolls over to play dead. While in 4-H I have learned how to make posters and give presentations. I have also learned more about swine like how to feed them and the different parts of the pig. I also learned it takes a lot of

work to raise a good show pig. Something unique about me is that I also love to ride horses. I have five horses and like to do play days, trail ride, and chase cows. I would love for you to buy Judy and help me with my future 4-H projects!
