### **Description**

Hello, my name is Kylee Vick. I have two pigs this year. One is a York, his name is Rip and then I have a Cross which his name is Cash. I have worked very hard and spent hours in the barn taking and loving my pigs. I've showed Cash and Rip a handful of times this summer at Jackpots. Where I learned a lot and pushed my self even harder to improve on taking care of my pigs.

I would like to invite you to the Garfield County Fair on July 27th.

Thank you for your support. It means a lot.

**Quantity:** 259
