Description

Hello, my name is Ava, this is my 7th year in 4-H and a senior member this year. My club is Country Roots. This would be my 3rd year for my market swine project. I have worked very hard to learn how to choose my swine and keep them healthy. With being able to make sure they make weight by fair. I have a crossbred and a berkshire. I made sure to dedicate countless hours to raising my market swine, ensuring they receive the best nutrition, care, and training. This results in healthy, well-maintained swine that are prime for your needs, this will leave you confident knowing the quality and care that has gone into raising the market swine. Purchasing my swine will help me achieve my goals that I have put towards my future education and my future in 4-H.

Thank you for considering this opportunity to support me and my future by purchasing my market swine.
