City Carbondale

Breed Angus

Description

For the past ten years I have had the pleasure to be a part of 4H, and the life skills and work ethic it has taught me is irreplaceable. As this is my second to last year of being a member of Garfield County's 4h program, I am proud to offer a market steer that was born and raised on my property. I have spent countless hours with him for many months. I enjoy having cattle in my show barn and giving them the best care possible. They have been fed well, and will be a prime beef product. If you have any questions please feel free to contact me 970-355-4135. I have secured a processing date at Kinnikin processing in Montrose for beef the end of August and will gladly deliver the product back to you after your custom processing. Kinnikin has great options for beef cuts and specialty items. Their packaging is top notch vacuum sealed to insure quality and freshness in the meat. Thank you for considering my project as an option for your

food needs and also for your support of both 4H youth and the program I have been honored to grow up in!

Quantity: 1260
