Animal Weight (in Pounds) 267

EAR TAG# 419

Sex Both barrows

Description

Here are my two pigs named Blanco and Elvis. Blanco is a Yorkshire breed, while Elvis is a Hampshire breed.

Being a part of 4-H has been an incredibly rewarding journey, and I am grateful for the opportunities and skills it has provided me.

Over the past year, I have had the privilege of traveling extensively across Colorado and Wyoming to participate in multiple jackpot shows. These experiences have not only allowed me to showcase my hard work and dedication but also to meet and learn from many skilled and passionate individuals within the agricultural community.

Through these travels, I have grown both personally and professionally, gaining invaluable insights and improving my craft.

I am proud to share that last year, I achieved significant milestones in my 4-H journey. I won the Grand Championship in Market and secured the Grand Reserve in Showmanship. These accomplishments are a testament to my commitment to excellence and the support of my mentors, family, and fellow 4-H members. As I continue my second year journey with 4-H, I am eager to build upon these successes and strive for even greater achievements in the future.
