Description

Hey Folks - thanks for visiting the Junior Livestock Consigner Auction website and more specifically my profile. My name is Cody Roman. This is my 8th year showing swine at the Garfield County Fair. This year I am showing in three (3) classes, Senior Market, Market Producer, and Breeding. Raising and showing pigs has become a lifestyle for me so I pretty much live this every day not just during the 4H year and at fair time. My family has been breeding and producing market swine in the valley for over 15 years. I am working hard learn as much as I can so that I will be able to continue providing a quality product as well as maintain the family business and the agricultural lifestyle that I enjoy. I have huge shoes to fill, and it is a slow process but through my participation in the 4H Swine program and the Garfield County Fair I have learned a lot

and found this has been a great way for me connect with other producers, learn more about swine and an excellent way for me to show the genetics and the quality of pigs I am able to produce and ready for either market or the showing.
