Description

Hi my name is Mckenlee Barnes and this year I'm showing a goat and two pigs. This is my 3rd year showing pigs and first year of showing a goat. One of my pigs is a blue butt and his name is Bluey he is 239 pounds and he gets three cups of mill feed morning and night. My other pig is a calico cross bred and his name is Mihlo. He is 267 pounds and he also gets three cups of mill feed morning and night. My pigs walk separately day and night for 15-20 minutes each time. I wash them once a week and

clean pens. I do their skin care every night. I hope you enjoy my pigs. My bore goat is named Beau. I feed him 3/4 cup of grain and alfalfa hay. I rinse him every night and blow his air dry to do his skin care. I work with my goat walking for about 20 minutes day and night. I am excited about this year and I have worked hard to take care of my animals. Thank you for your time!
