Breed Hereford/Black Angus Cross

Description

For your consideration, a Hereford/Angus Cross Market Steer, named "Purdy". Purdy is not a traditional "show calf", he is a home-raised calf by me, Milo Brennan, and my family from LOV Ranch. I am a 6th generation rancher and I enjoy showing my home-raised cattle. I pride myself in not doing the fair to win a ribbon or a buckle, but to raise and offer high-quality meat. I turned 11 years old this summer and will start the 6th grade this fall. I really enjoy riding my horses, team roping and livestock judging. I work hard in my community to help others and strive to be a great kid!

Purdy is stout, wide based and will yield a high quality carcass. I have tried very hard feeding high quality feed and I have tried to do a great feed program to raise the best meat available. Thank you for your consideration in buying my market beef or adding-on to help me with my project and future projects.

Thanks,

Milo Brennan
