Description

Hi my name is Londyn Boe I'm 8 years old and this is my first year of 4H. I am doing market swine and archery this year. I have really enjoyed learning the responsibilities and duties that come with raising my pig, Charolette. I have learned a lot through the good and bad times with this process.

I am sad that this year is coming to an end, I will miss Charolette.

I am excited to invite my friends and family to this years Garfield County Fair.
