Description

Hello my name is Kaleb Gramsch. I am 18 years old and in the Grand Drive 4-H club. This is my 11th year in 4-H and my 4th in market goats. I enjoy competing in livestock quizbowl competitions where I've been super successful on the state and national level being named High Overall Individual in 2023 at the State contest and Reserve High Overall Individual at the National Western Round-Up. From the moment I saw a

photo of McQueen (my goat) I knew I had to have him. He's been a very special goat. He's got a great personality and has been so fun to work with this year. I've learned a lot over the years and especially this year working hard on honing in my feeding and exercise program. At the EPC fair I was the Champion Senior Market Goat Showman with McQueen. This is my first grand champion animal and to have done it with McQueen was very special. I will be attending Cornell University in the fall as an animal science major. I hope to become a veterinarian or reproductive specialist. Thank you for taking the time to read about me and McQueen and we hope to see you at the sale on July 20th!
