Sex Barrow

Show Placing 3rd

Description

Hi, my name is Stephanie Taylor, I will be a senior and Falcon High school this upcoming year. This year I will be selling my red spotted barrow, his name is Cletus. Cletus is a Duroc and Berkshire cross. Overall this year has been a very positive but also challenging year and not just with one of my animals. Each animal had their own personality and Cletus was one of the stars of that show. He is a very slow going hog that always loved eating marshmallows. My goal this year for him was to place well in

my market class and to make the best product for my consumer. And I believe I have accomplished those goals. Any donation are appreciated, with your support it will go into my project for next year as well as my college fund. I plan on going to LCCC in Cheyenne, Wyoming in the next few years. Thank you for all of your support and encouragement to my project.

Quantity: 1
