Description

My name is Alexia Moore. I have been in 4-H for 7 years and this is my first market project. Please consider purchasing my market wether, Daryl. He has been so much fun to raise. He has so much personality and curiosity. Daryl has taught me to look at the connection between his nutrition and exercise and how it has a direct impact on how he develops. I am sure he will provide quality protein. Your support will help me continue to pursue my goals in and out of 4-H.
