Description

I'm selling my pig Macho this year. He's a very nice finished hog and will provide many many meals for you and your family. He is about 290 pounds.

There were 7 piglets in the litter I produced and 5 of them were shown here at this fair this week. 1 took 1st in the feeder class. Two others took 3rd and 5th. One took 4th in a lightweight market class as well. The one I kept, Thunder, took 2nd in his market class and placed 1st in the producer class. The other 2 are being shown in another county in a few weeks. I'm very happy with how they performed and grew, and I plan on producing another litter for next season.

I'm also going to show at Colorado State Fair next month with the barrow I have at home. I was also fortunate enough to make the draw and get into the National Western Stock Show to show pigs in January. I'm really excited about that opportunity.

Thank you for coming out and supporting the 4H community and me. I appreciate everyone who supports my 4H journey.
