Description

my names abby. this is my 2nd year showing pigs and i love it so much! my pig is a berkshire named shadow. i named him shadow because he follows me everywhere i go. he's so loving and sweet but very energetic. he loves long walks and doesn't like short ones. his favorite treat is marshmallows and i may have given him a lot over the last few months haha. he doesn't like water! he loves to root around and bring me back dirt but his favorite thing is belly rubs. i love berks because of the marbling tender meat

you get! i hope to become a professional horse trainer when i'm older. thank you for checking out my swine project!
