### **Description**

Hello! My name is Hunter King and this is my third year in 4-H. This year I showed 2 crossbred pigs and really enjoyed it! My favorite part of 4-H is probably getting to raise an animal, and the responsibility I am able to learn through that. Even after three years of participating in 4-H there is always something new I learn each year, and a takeaway I get out of it. I love the values of 4-H and the way that they support agriculture and carrying the importance of agriculture into the future generations. With the money I earn from 4-H this year I plan to save it for my future, and put some of it towards

starting my graphic design business. I hope to one day become an entrepreneur or an ultrasound technician. Thank you so much for supporting me and the 4-H community!
