Description

My name is Reagan King and this is my 4th year in 4-h and my second year in the market beef project. I enjoy doing 4-h because it involves many of my passions: taking care of animals and learning new things. I enjoy learning skills to work harder and learning new responsibilities. I want to put the money that I earn from selling Mater into a travel savings account where I can travel where I want to go and do missions trips to help people in need. Me and Mater have had a lot of fun this year! Thank you for supporting me! Your kindness means the world!
