Description

My name is Ansley Gresham this maybe only my 2nd year in 4H but I am 4th generation Colorado 4H member so it is kinda in my blood.

This year I have 2 sheep Bella and Sawyer and 1 steer whos name is Cotton and yes he is as soft as cotton because he gets a bath everyday and he even has his own porta cooler for hot days I dont even get that in my house so he is lucky!

My family and I raise cows and sheep but I bought all my show animals this year with the money I got from selling my steer last year at fair.

My favorite part of raising the animals is feeding them I have a special system and take pride in making sure they get quality feed in the exact amount every feeding I weigh their portions every feeding.

I am honor to offer these pride and joys to you with alot of blood sweat and tears.
Thank you for your support in me as well as this program
