Description

Hi there! My name is Bodie Glover. This is my 6th year showing Market Steers. I have a great year! This year I was blessed to have won both Champion Intermediate Breeding Beef Showman and Champion Market Beet Showman. I also was excited to have won

3rd in the carcass contest. I am offering "Jackpot" this year for your consideration.

This is a great-big boned, flat topped Maintainer. I showed this steer at the National Western Stockshow. He did great. I have worked with this steer for 11 months to get him ready for you today. I feed him High Noon grain out of Kansas. I really like his feed conversion ratio. He has been converting at almost 4 pounds a day! This steer can really get out and walk and has lots of hair. He probably is the nicest steer I have ever shown. I believe he will be hard to beat on the dining room table and hope you enjoy the product I have produced. If you have any questions about "Jackpot", Beef or 4H please come see me in the beef barn. Thank you
