Description

My name is Penelope Malz and I am 8 years old. This is my fourth year in 4-H. I was in Clover Buds for three years before this year. This is my first year doing a swine project.

I like to draw and do crafts. I got to use epoxy resin for the first time this year with my crochet project and I won Reserve Champion in crochet. I have been doing cheerleading for two years. My favorite class in school is art. When I grow up, I want to be a hairstylist.

My pig's name is Georgie and he is a barrow. Georgie is nice and I like that he is black with a white stripe. I liked training my pig and he looks good when his head is up. I used two whips to teach him how to keep his head up. The hardest part of training was keeping Georgie from running around the field. He likes to run back to his pen for marshmallows. I have a purple pig whip but I really wanted a pink whip. I like how Georgie's mouth looks like the letter "V" when he opens it.

You should buy my pig Georgie because he has a nice butt!
