Description

Hi! I'm Lexi Vrabec!

This is my Grand Champion Market Lamb, Spike. His name is from The Land Before Time. This lamb has special meaning for me and my family. More so than even our home raised ones. Spike will always hold a special place in my heart because he brought me more than a Grand Champion title, he brought me and my family Grand Champion friends. ♥ I know God was weaving this plan before we all even knew, for the friendships created are so special. I will always thank Him for bringing us all together. Spike's mom is a ewe that was out of a ram we, as a family, raised and co-

owned with close friends. We purchased that ewe later from them and then sold her to another family that are building their breeding program. They AI'd her and I bought one of her babies this year, Spike, for my county fair. This one animal united 3 families together for a common cause, building an industry and building youth and I'm grateful to be a part of that legacy.
