### **Description**

Hello my name is Malachi this is my 3rd year in market goats. I am in 7th grade and I attend Calhan Middle School. I have also been in the breeding goat project for 2 years now. 4h is something that I have started as I have gotten older but I very much enjoy it. I have also showed pygmy goats for 2 years as well. I look forward to speak with you at the buyers lunch and would love to tell you about my project.
