City Peyton

Animal Weight (in Pounds) 106

Date of Reported Weight 07/15/2024

Show Placing 1

Description

This is my 3rd year in 4-H. I have shown market steers, breeding heifers, and this year I also showed market goats. I still show my family's cattle we raise on our cow-calf operation in the Falcon area. My grandpa taught me how to rope and I now rope the calves and brand the same calves I show in 4-H. I love 4-H, it has taught me so many new skills and I have made so many new friends!
